April 21, 2011

Dear Shareholders:

You are invited to a Special Meeting (the “Meeting”) of holders of Class A Shares and Preferred Shares of World Financial Split Corp. (the “Fund”) to be held on May 31, 2011 at 8:30 a.m. (Toronto time) at 1 First Canadian Place, Suite 6300, 100 King Street West, Toronto, Ontario.

The purpose of the Meeting is to consider and vote upon a special resolution to extend the term of the Fund for an additional seven years after the scheduled redemption date of June 30, 2011. If the extension is approved, shareholders will be given a special right to retract their Class A Shares or Preferred Shares at net asset value (“NAV”) on June 30, 2011.

The Manager believes the global financial services sector is poised for strong returns over the next several years after experiencing one of the worst financial crises in history over the 2007 – 2009 time period. Subsequently, regulatory oversight and capital requirements increased in order to reduce the risk of another crisis from happening. Despite a decline in 2010 due to the concerns regarding European Sovereign defaults, many of the companies within the Fund’s portfolio universe are well capitalized and are expected to return capital to shareholders in the form of increased dividends and share repurchases which the Manager believes should benefit share prices.

Currently, with a NAV per Unit of \$11.53 as of April 14, 2011, the Class A Shares enjoy leverage of approximately 7.5 times by virtue of the outstanding Preferred Shares. This means that for a 10% increase in the value of the portfolio the Class A Shares will increase by approximately 75%. Given the potential for higher than average returns on the Class A Shares and the positive outlook for global financial securities, the Manager recommends that investors vote in favour of the extension of the term of the Fund.

The Manager believes that the seven-year extension and the other terms of the reorganization described in the attached management information circular (the “Circular”) will allow the Fund to increase its value as the global economy recovers and financial services companies around the world grow stronger. In addition, the reorganization will provide the following benefits to shareholders.

Holders of Class A Shares are expected to benefit from ongoing leveraged exposure to a high-quality portfolio consisting principally of common equity securities selected from the ten largest (by market capitalization) financial services companies in each of Canada, the United States of America and the rest of the world.

Holders of Preferred Shares are expected to continue to benefit from fixed cumulative preferential quarterly cash dividends in the amount of \$0.13125 per Preferred Share representing a yield of 5.25% per annum on the original issue price of \$10.00 per Preferred Share; and an attractive seven-year term.

The Fund is also proposing other changes described in more detail in the Circular including changing the monthly retraction prices for the Class A Shares and the Preferred Shares so that they are calculated by reference to market price in addition to NAV and changing the dates by which notice of monthly retractions needs to be provided and by which the retraction amount will be paid. The Fund will also allow for the calculation of a diluted NAV in the event the Fund should ever issue warrants or rights to acquire Class A Shares or Preferred Shares.

The reorganization must be approved by a two-thirds majority of votes cast at the Meeting by holders of Class A Shares and Preferred Shares, each voting separately as a class.

Attached is a Notice of Special Meeting of Shareholders and the Circular which contain important information relating to the proposed reorganization. You are urged to read the Circular carefully. If you are in doubt as to how to deal with the matters described in the Circular, you should consult your advisors.

If you wish to continue your investment in the Fund after June 30, 2011, please submit a voting instruction form in favour of the special resolution as soon as possible, and in any event no later than 5:00 p.m. (Toronto time) on May 27, 2011. All holders of Class A Shares and Preferred Shares are encouraged to attend the Meeting.

The Board of Directors of the Fund has determined that the proposed reorganization is in the best interests of the Fund and of the holders of Class A Shares and Preferred Shares. Accordingly, the Board of Directors recommends that holders of Class A Shares and Preferred Shares vote in favour of the special resolution to be considered at the Meeting.

Sincerely,

“John P. Mulvihill”

JOHN P. MULVIHILL
President and Chief Executive Officer

TAKE NOTICE that a Special Meeting (the “Meeting”) of holders of class A shares (“Class A Shares”) and preferred shares (“Preferred Shares”) of World Financial Split Corp. (the “Fund”) will be held on May 31, 2011 at 8:30 a.m. (Toronto time) at 1 First Canadian Place, Suite 6300, 100 King Street West, Toronto, Ontario for the following purposes:

1. to consider and, if thought advisable, approve a special resolution (the “Special Resolution”) to:
 - (a) in respect of both classes of shares:
 - (i) extend the term of the Fund for an additional seven years by changing the redemption date of the Class A Shares and the Preferred Shares to June 30, 2018 from June 30, 2011. The redemption date will automatically be extended for successive seven-year terms thereafter and shareholders will be able to retract their Class A Shares or Preferred Shares at net asset value (“NAV”) prior to any such additional extension;
 - (ii) provide a special retraction right (the “Special Retraction Right”) to enable holders of Class A Shares and Preferred Shares to retract their shares on June 30, 2011 on the same terms that would have applied had the Fund redeemed all Class A Shares and Preferred Shares in accordance with the existing terms of such shares;
 - (iii) allow the Fund to calculate a diluted NAV per Unit (a “Unit” being considered to consist of one Class A Share and one Preferred Share) and calculate and pay retraction prices in respect of the Class A Shares and Preferred Shares based on the diluted NAV per Unit if warrants of the Fund are outstanding;
 - (iv) change the monthly retraction prices for the Class A Shares and the Preferred Shares so that they are calculated by reference to market price in addition to NAV and change the notice period and payment period for the exercise of such rights and the payment of the retraction amount relating thereto;
 - (b) in respect of the Class A Shares and in connection with the Special Retraction Right, in order to maintain the same number of Class A Shares and Preferred Shares outstanding, authorize the Fund to consolidate the Class A Shares;
 - (c) in respect of the Preferred Shares and in connection with the Special Retraction Right, in order to maintain the same number of Class A Shares and Preferred Shares outstanding, provide the Fund with the ability to redeem Preferred Shares on a *pro rata* basis;
 - (d) make other changes consequential to the foregoing, all as more fully described in the accompanying management information circular; and
2. to transact such other business as may properly come before the Meeting or any adjournment or adjournments thereof.

As required by National Instrument 81-107 – *Independent Review Committee for Investment Funds*, Mulvihill Capital Management Inc., the manager of the Fund, has presented the Special Resolution to the independent review committee of the Fund for a recommendation. The independent

THE FUND

World Financial Split Corp. (the “Fund”) is a mutual fund corporation incorporated under the laws of the Province of Ontario on December 5, 2003.

The Fund completed its initial public offering of preferred shares (“Preferred Shares”) and class A shares (“Class A Shares”) in February 2004. The Fund’s outstanding Class A Shares and Preferred Shares are listed on the Toronto Stock Exchange under the symbols WFS and WFS.PR.A, respectively. Mulvihill Capital Management Inc. (“MCM”, the “Manager” or the “Investment Manager”) is the manager and investment manager of the Fund. The principal office of each of the Fund and MCM is located at 121 King Street West, Standard Life Centre, Suite 2600, Toronto, Ontario.

For further information relating to the Fund, see “Appendix I – Additional Information Regarding Management of the Fund”.

The Fund invests in a portfolio (the “Portfolio”) which includes common shares selected from the ten largest (by market capitalization) financial services companies from each of Canada, the United States of America and the rest of the world (the “Portfolio Universe”). Issuers of the securities in the Fund’s Portfolio, other than those of Canadian issuers, must have a minimum local currency issuer credit rating of “A” from Standard & Poor’s or a comparable rating from an equivalent rating agency. In addition, up to 20% of the net asset value (“NAV”) of the Fund may be invested in common shares of financial services companies that are not in the Portfolio Universe as long as such companies have a market capitalization at the time of investment of at least US\$10.0 billion and for non-Canadian issuers, a minimum local currency issuer credit rating of “A” from Standard & Poor’s or a comparable rating from an equivalent rating agency.

To generate additional returns above the dividend income earned on the Portfolio, the Fund writes covered call options in respect of all or a part of the securities in the Portfolio from time to time. The Fund may also hold a portion of its assets in cash equivalents, which may be used to provide cover in respect of the writing of cash covered put options in respect of securities in which the Fund is permitted to invest.

On February 17, 2004 the Fund completed its initial public offering of 18,000,000 Class A Shares at a price of \$15.00 per Class A Share and 18,000,000 Preferred Shares at a price of \$10.00 per Preferred Share. On February 27, 2004, the over-allotment option in respect of that offering closed, resulting in the issuance of an additional 850,000 Class A Shares and 850,000 Preferred Shares on the same terms.

On November 19, 2009, the Fund completed an offering of warrants to holders of its Class A Shares. The Fund issued 8,557,010 Warrants to subscribe for and purchase an aggregate of approximately 8,557,010 Preferred Shares and 8,557,010 Class A Shares together in Units (as defined below). Each Class A Shareholder received one transferable Warrant for each Class A Share held. Altogether, 898,716 Class A Shares and 898,716 Preferred Shares were issued pursuant to the exercise of the warrants for gross proceeds of \$11,809,128.

On August 23, 2010, the Fund completed an offering of warrants to holders of Class A Shares. The Fund issued 6,994,526 warrants to subscribe for and purchase an aggregate of approximately 6,994,526 Preferred Shares and 6,994,526 Class A Shares together in Units (as defined below). Each Class A Shareholder received one transferable warrant for each Class A Share held. Altogether, 1,123,620 warrants were exercised for gross proceeds of \$12,842,977.

As of March 31, 2011, there were 7,215,316 Class A Shares and 7,215,316 Preferred Shares outstanding.

The redemption date for the Class A Shares and Preferred Shares of the Fund is June 30, 2011. The Fund proposes to implement a reorganization (“Reorganization”) that will allow shareholders to maintain their investment in the Fund for at least seven more years and will better position the Fund to achieve its investment objectives through the extended term of the shares.

RATIONALE FOR THE PROPOSAL

The Manager believes the global financial services sector is poised for strong returns over the next several years after experiencing one of the worst financial crises in history over the 2007 – 2009 time period. Subsequently, regulatory oversight and capital requirements increased in order to reduce the risk of another crisis from happening. Despite a decline in 2010 due to the concerns regarding European Sovereign defaults, many of the companies within the Fund’s Portfolio Universe are well capitalized and are expected to return capital to shareholders in the form of increased dividends and share repurchases which the Manager believes should benefit share prices.

As a consequence of the financial crisis, shares of the global financial services companies included in the Portfolio declined significantly. The Class A Shares which are leveraged by virtue of the Preferred Shares declined to a much greater extent than the underlying Portfolio. While the Portfolio bounced back in 2009, investors’ fears of European Sovereign debt default risk increased in 2010 with both Greece and Ireland requiring financial assistance, and European financial services companies produced negative returns leading to a decline in NAV during 2010. Though the European Sovereign debt issue continues to overhang the sector, fundamentals for companies in the Portfolio continue to improve as valuations are at very reasonable levels and are likely to rebound as returns on equity increase and credit leverage drives earnings growth. This combined with high dividend yields relative to bond yields, should provide support for share prices.

Currently, with a NAV per Unit of \$11.53 as of April 14, 2011, the Class A Shares enjoy leverage of approximately 7.5 times by virtue of the outstanding Preferred Shares. This means that for a 10% increase in the value of the Portfolio the Class A Shares will increase by approximately 75%. Given the potential for higher than average returns on the Class A Shares and the positive outlook for global financial securities, the Manager recommends that investors vote in favour of the extension of the term of the Fund.

HISTORICAL PERFORMANCE OF THE CLASS A SHARES AND THE PREFERRED SHARES

Between February 17, 2004 and December 29, 2008, the Fund paid holders of its Class A Shares regular distributions of \$5.54 per Class A Share. Distributions on Class A Shares are generally characterized and treated as capital gains dividends to holders of Class A Shares.

No distributions may be paid on the Class A Shares if (a) the distributions payable on the Preferred Shares are in arrears; or (b) after the payment of the distribution by the Fund, the NAV per Unit would be less than \$15.00. As a result of declines in the NAV per Unit to values less than \$15.00, the Fund suspended the payment of monthly distributions on the Class A Shares effective December 2008. In addition, the Fund will not pay special distributions, meaning distributions in excess of the targeted 8.0% quarterly distribution, on the Class A Shares if after payment of the distribution the NAV per Unit would be less than \$23.50 unless the Fund would need to make such distribution so as to fully recover refundable taxes.

Between February 17, 2004 and March 31, 2011, the Fund paid holders of Preferred Shares all cumulative preferential dividends to which they were entitled, for a total of \$3.74 per Preferred Share.

DETAILS OF THE PROPOSAL

Holders of Class A Shares and Preferred Shares are being asked to pass the special resolution in the form attached hereto as Appendix II (the “Special Resolution”) to approve the following amendments to the articles of incorporation of the Fund, as amended from time to time (the “Articles”).

Extension

The Articles of the Fund currently provide that the Preferred Shares and the Class A Shares shall be redeemed by the Fund on June 30, 2011. Holders of Class A Shares and Preferred Shares are being asked to extend the term of the Fund for an additional seven years by changing the redemption date of the Class A Shares and the Preferred Shares to June 30, 2018. The redemption date will be further extended for successive seven-year terms thereafter and shareholders will be able to retract their Class A Shares or Preferred Shares at NAV prior to any such additional extension. In such circumstances, the Fund will provide at least 30 days’ notice to shareholders of the retraction date by way of press release.

The Fund proposes to extend the redemption date to June 30, 2018, with possible additional extensions of the term of the Fund, so that it may continue to provide shareholders with the opportunity to participate in the performance of the Portfolio.

Preferred Share Distributions and Dividends

Following the Reorganization, the Fund would initially maintain the current dividend rate on the Preferred Shares at 5.25% per annum on the \$10.00 original issue price. However, the Board of Directors would be permitted to change the dividend rate on the Preferred Shares to reflect future market conditions following June 30, 2018. Any such change would be announced by way of the press release issued in connection with such extension of the term of the Fund.

Redemption and Retraction Privileges

Special Retraction Date

To preserve the rights that were originally provided to holders of Class A Shares and Preferred Shares, the Fund proposes to amend the terms of such shares to permit holders of such shares to retract such shares (the “Special Retraction Right”) on June 30, 2011 (the “Special Retraction Date”) on the terms on which such shares would have been redeemed had the June 30, 2011 redemption date not been extended.

Retraction payments for Class A Shares and Preferred Shares tendered pursuant to the Special Retraction Right will be made no later than 10 business days after the Special Retraction Date, provided that such shares have been surrendered for retraction on or prior to 5:00 p.m. (Toronto time) on June 17, 2011. Class A Shares and Preferred Shares will be irrevocably surrendered for such retraction upon delivery of written notice to CDS Clearing and Depository Services Inc. (“CDS”) through a participant in CDS (a “CDS Participant”).

The retraction price per Class A Share to be received by a holder of Class A Shares under the Special Retraction Right will be equal to the greater of (a) the NAV per Unit on the Special Retraction Date minus \$10.00 and (b) nil. The retraction price per Preferred Share to be received by a holder of Preferred Shares under the Special Retraction Right will be equal to the lesser of: (a) \$10.00; and (b) the NAV of the Fund divided by the number of Preferred Shares outstanding on the Special Retraction Date. Any declared and unpaid distributions payable on or before the Special Retraction Date in respect of Class A Shares or Preferred Shares tendered for retraction on the Special Retraction Date will also be paid on the retraction payment date.

If more Class A Shares than Preferred Shares are retracted under the Special Retraction Right, the Fund will redeem Preferred Shares (the “Call Right”) on a *pro rata* basis to ensure an equal number of Class A Shares and Preferred Shares remain outstanding from and after the effective date of the Reorganization. If more Preferred Shares than Class A Shares are retracted under the Special Retraction Right, the Fund will consolidate the Class A Shares on a basis that will maintain an equal number of Class A Shares and Preferred Shares outstanding. Notice of consolidation will be provided to holders of Class A Shares by way of press release as soon as possible after it is known that such consolidation is required.

If Preferred Shares are to be redeemed by the Fund under the Call Right, notice of redemption will be provided to CDS on or before June 21, 2011 so that it may notify CDS Participants holding Preferred Shares on behalf of beneficial owners of such redemption. Redemption payments for Preferred Shares so redeemed will be made no later than ten business days after June 30, 2011. Any Preferred Shares redeemed by the Fund on June 30, 2011 pursuant to the Call Right will be redeemed at a price equal to the lesser of: (a) \$10.00; and (b) the NAV of the Fund divided by the number of Preferred Shares outstanding on June 30, 2011; plus, in the case of either (a) or (b), any declared and unpaid distributions payable on such shares.

The Special Retraction Right will replace the annual concurrent retraction right for 2011, pursuant to which a holder would have been permitted to retract both a Class A Share and Preferred Share together in a Unit for the NAV per Unit. As a result of the availability of the Special Retraction Right, the Fund will not, for the 2011 June Valuation Date (as defined below) only, provide shareholders with the annual concurrent retraction right. However, this right will continue to be available in June of each year after June 2011, but will be replaced with an additional, special retraction right granted to holders of Class A Shares or Preferred Shares in connection with each additional extension of the term of the Fund.

Monthly Retraction Privileges

Notice and Payment Dates

The Special Resolution contemplates a change in the periods during which Class A Shares and Preferred Shares may be tendered for retraction. Currently, Class A Shares and Preferred Shares may be surrendered at any time for retraction by the Fund but will be retracted only on the last day of a month (a “Valuation Date”). Shares surrendered for retraction by a holder of Class A Shares or Preferred Shares at least five business days prior to a Valuation Date will be retracted on such Valuation Date and such shareholder will receive payment on or before the eighth business day following such Valuation Date. If the Reorganization is approved and implemented, shares will have to be surrendered for retraction by a holder of Class A Shares or Preferred Shares at least ten business days prior to a Valuation Date in order to be retracted on such Valuation Date and such shareholder will receive payment on or before the tenth business day following such Valuation Date. Such changes in the notice and payment periods for the exercise of retractions rights bring the terms of the Fund in line with those of more recently offered funds.

Retraction Prices

Currently, shareholders whose Class A Shares are retracted on a Valuation Date will be entitled to receive a retraction price per share (the “Class A NAV Retraction Price”) equal to 96% of the difference between (a) the NAV per Unit as of the applicable Valuation Date and (b) the cost to the Fund of purchasing a Preferred Share in the market for cancellation. Shareholders whose Preferred Shares are retracted on a Valuation Date will be entitled to receive a retraction price per share (the “Preferred NAV Retraction Price”) equal to 96% of the lesser of (a) the NAV per Unit as of the applicable Valuation Date less the cost to the Fund of purchasing a Class A Share in the market for cancellation and (b) \$10.00. For this purpose, the cost of the purchase of a Preferred Share or a Class A Share includes the purchase price

of the share, commission and such other costs, if any, related to the liquidation of any portion of the Portfolio to fund the purchase of such share. Any declared and unpaid distributions payable on or before a Valuation Date in respect of Class A Shares or Preferred Shares tendered for retraction on such Valuation Date will also be paid on the retraction payment date.

Under the Reorganization, the monthly retraction prices for the Class A Shares will be changed and shareholders whose Class A Shares are retracted on a Valuation Date will be entitled to receive a retraction price per share equal to the lesser of:

- (a) the Class A NAV Retraction Price; and
- (b) 96% of the difference between (i) the Unit Market Price (as defined below) and (ii) the cost to the Fund of purchasing a Preferred Share in the market for cancellation.

Under the Reorganization, the monthly retraction price for the Preferred Shares will be changed and shareholders whose Preferred Shares are retracted on a Valuation Date will be entitled to receive a retraction price per share equal to the lesser of:

- (a) the Preferred NAV Retraction Price; and
- (b) 96% of the lesser of (i) the Unit Market Price less the cost to the Fund of purchasing a Class A Share in the market for cancellation and (ii) \$10.00.

For this purpose, the cost of the purchase of a Preferred Share or a Class A Share will include the purchase price of the share, commission and such other costs, if any, related to the liquidation of any portion of the Portfolio to fund the purchase of such share. Any declared and unpaid distributions payable on or before a Valuation Date in respect of Class A Shares or Preferred Shares tendered for retraction on such Valuation Date will also be paid on the retraction payment date. In addition, the following terms have the meanings set forth below.

Class A Market Price means the weighted average trading price of the Class A Shares on the principal stock exchange on which the Class A Shares are listed (or, if the Class A Shares are not listed on any stock exchange, on the principal market on which the Class A Shares are quoted for trading) for the 10 trading days immediately preceding the applicable Valuation Date.

Preferred Market Price means the weighted average trading price of the Preferred Shares on the principal stock exchange on which the Preferred Shares are listed (or, if the Preferred Shares are not listed on any stock exchange, on the principal market on which the Preferred Shares are quoted for trading) for the 10 trading days immediately preceding the applicable Valuation Date.

Unit Market Price means the sum of the Class A Market Price and the Preferred Market Price.

Calculation of NAV and NAV per Unit

Under the Articles of the Fund, the NAV of the Fund on a particular date is equal to the aggregate value of the assets of the Fund, less the aggregate value of the liabilities of the Fund (including any accrued dividends) and less the stated capital of the Class J Shares (\$100). The NAV per Unit (the “basic NAV per Unit”) on any day is obtained by dividing the NAV of the Fund on such day by the number of Units then outstanding.

Following the Reorganization, the Fund may in the future decide to issue to its shareholders warrants to subscribe for additional Class A Shares and Preferred Shares of the Fund, together in Units. It is proposed that, if, while such warrants are outstanding, the basic NAV per Unit is greater than the Dilution Threshold (being the subscription price payable on the exercise of one such warrant less the warrant exercise fee, if any, for such warrant), a diluted NAV per Unit would be calculated by adding to the denominator the total number of Units issuable upon the exercise of the warrants then outstanding and by adding to the numerator the product of such number of Units and the Dilution Threshold. The diluted NAV per Unit would be deemed to be the resulting quotient. For the purposes of retractions of Class A Shares and Preferred Shares, the NAV per Unit would be the basic NAV per Unit unless such basic NAV per Unit exceeded the Dilution Threshold, in which case the NAV per Unit would be the diluted NAV per Unit.

Other Shareholder Matters

The Board of Directors has determined that, if the Special Resolution is approved and the Reorganization is completed, it may wish, if need be, to change the auditors of the Fund without obtaining the prior approval of shareholders. In such circumstances, the independent review committee of the Fund would be required to approve the change and shareholders would be sent a written notice at least 60 days before the effective date of the change.

In addition, subject to applicable law, the Fund may wish to undertake a reorganization with, or transfer its assets to, another mutual fund, without the prior approval of shareholders. Pre-approval of shareholders would not be required under applicable securities law if (a) the Fund ceases to continue after the reorganization or transfer of assets; and (b) the transaction results in shareholders of the Fund becoming securityholders of the other mutual fund, provided that the independent review committee of the Fund approves the transaction pursuant to National Instrument 81-107 – *Independent Review Committee for Investment Funds* (“NI 81-107”), the reorganization or transfer complies with certain requirements of NI 81-107 and National Instrument 81-102 – *Mutual Funds* (“NI 81-102”), shareholders are sent a written notice at least 60 days before the effective date of the change and shareholders have the ability to retract their shares at NAV prior to such transaction.

The foregoing processes for appointing auditors and conducting certain reorganizations are consistent with the requirements of NI 81-102 and bring the terms of the Fund in line with those of more recently offered funds.

RECOMMENDATION OF THE BOARD OF DIRECTORS

The Board of Directors has reviewed the Special Resolution, has determined that the Reorganization is in the best interests of the Fund and its shareholders and unanimously recommends that holders of Class A Shares and Preferred Shares vote in favour of the Special Resolution.

In arriving at this determination, consideration was given to the following factors:

- (a) in respect of the Class A Shares, holders of Class A Shares will continue to benefit from the potential for leveraged capital appreciation in a high-quality portfolio consisting principally of common shares of the ten largest financial services companies in each of Canada, the United States of America and the rest of the world;
- (b) in respect of the Preferred Shares:
 - (i) the extension of the scheduled redemption date of the Preferred Shares will enable holders of Preferred Shares to enjoy attractive, preferential dividends at a rate of 5.25% on the original issue price; and

- (ii) the Preferred Shares will have an attractive term of seven years;
- (c) in respect of both classes of shares:
 - (i) the extended term of the Fund permits holders of Class A Shares and Preferred Shares to maintain their investment and benefit from a portfolio of common shares with attractive current yields which the Fund believes are well positioned to deliver strong returns to investors as the global economy recovers;
 - (ii) the implementation of the Reorganization will provide holders of Class A Shares and Preferred Shares with a Special Retraction Right that will allow such holders to retract their shares at a retraction price determined on the same basis as the redemption price that would have been available to them had the Reorganization not been effected; and
 - (iii) the extension of the redemption date for the Class A Shares and the Preferred Shares and the other amendments to the share provisions described in Appendix II hereto will not result in a disposition of Class A Shares or Preferred Shares. Any capital gains tax liability that would have otherwise been realized on the redemption of Class A Shares or Preferred Shares or any capital loss will be deferred until such time as the Class A Shares or Preferred Shares are either sold or retracted by a shareholder or redeemed by the Fund on or after June 30, 2018.

As required by NI 81-107, the Manager has presented the Special Resolution to the independent review committee of the Fund for a recommendation. The independent review committee has reviewed the Special Resolution and recommended that the Special Resolution be put to shareholders for their consideration on the basis that the Reorganization achieves a fair and reasonable result for the Fund.

EXPENSES OF THE REORGANIZATION

Whether or not the Special Resolution is approved, all costs associated with the Reorganization will be borne by the Fund and therefore, in effect, by the holders of Class A Shares. These costs (not including the fees discussed below) are estimated to be \$80,000.

If the Reorganization is approved and implemented, a solicitation fee will be paid to properly designated soliciting brokers equal to (a) 1.50% of the NAV of the Class A Shares that are voted in favour of the Special Resolution and not retracted on the Special Retraction Date and (b) 0.50% of the NAV of the Preferred Shares that are voted in favour of the Special Resolution and not retracted on the Special Retraction Date.

If the Reorganization is completed, all costs of the Reorganization, consisting primarily of the fees described above, will be borne by the holders of Class A Shares that remain outstanding. Assuming that (a) 40% of the Class A Shares and Preferred Shares are voted at the Meeting and are voted in favour of the Special Resolution, (b) all Class A Shares remain outstanding after the Reorganization, and (c) NAV remains constant, the estimated cost per Class A Share outstanding will be \$0.04.

TERMINATION OF THE PROPOSAL

The Reorganization may, at any time before or after the holding of the Meeting but no later than the effective date of the Reorganization, be terminated by the Board of Directors without further notice to, or action on the part of, holders of Class A Shares or Preferred Shares if the Board of Directors determines in its sole judgment that it would be inadvisable for the Fund to proceed with the Reorganization.

INTERESTS OF MANAGEMENT AND OTHERS IN THE REORGANIZATION

MCM is the manager and investment manager of the Fund. MCM receives a fee for providing management and investment management services from the Fund as described in “Appendix I – Additional Information Regarding Management of the Fund”.

CANADIAN FEDERAL INCOME TAX CONSIDERATIONS

In the opinion of Osler, Hoskin & Harcourt LLP, counsel to the Fund, the following is a summary of the principal Canadian federal income tax considerations relating to the Special Resolution that are generally applicable to holders of Class A Shares and Preferred Shares who, at all relevant times, for purposes of the *Income Tax Act* (Canada) and the regulations thereunder (the “Tax Act”), are resident or are deemed to be resident in Canada, hold their Class A Shares and Preferred Shares as capital property and deal at arm’s length with and are not affiliated with the Fund. Generally, a Class A Share or Preferred Share will be considered to be capital property to a holder provided the holder has not acquired or does not hold such share in the course of carrying on business or as part of an adventure or concern in the nature of trade. Certain holders whose Class A Shares or Preferred Shares might not otherwise qualify as capital property may be entitled to make the irrevocable election in the circumstances permitted by subsection 39(4) of the Tax Act to deem such securities (and all other Canadian securities owned by the holder) to be capital property. Holders considering making such an election should consult their own tax advisors.

This summary is not applicable to a holder of Class A Shares or Preferred Shares (i) that is a “financial institution” or “specified financial institution”, (ii) an interest in which is a “tax shelter investment” or (iii) that reports its “Canadian tax results” in a currency other than Canadian currency, each as defined in the Tax Act. Such holders should consult their own tax advisors.

This summary is based on the current provisions of the Tax Act, all specific proposals to amend the Tax Act publicly announced by or on behalf of the Minister of Finance (Canada) prior to the date hereof and counsel’s understanding of the current administrative policies and assessing practices of Canada Revenue Agency (“CRA”) published in writing prior to the date hereof. This summary is not exhaustive of all possible Canadian federal income tax considerations and, except as mentioned above, does not anticipate any changes in the relevant laws, whether by judicial, governmental or legislative action or decision, nor any changes in the administrative policies or assessing practices of CRA, nor does it take into account provincial, territorial or foreign tax considerations, which may differ significantly from those discussed herein. This summary also relies on advice from the Fund relating to certain factual matters.

This summary is of a general nature only and is not intended to be, nor should it be construed to be, legal or tax advice to any particular holder of Class A Shares or Preferred Shares, and no representations with respect to the income tax consequences to any particular holder of Class A Shares or Preferred Shares are made. Accordingly, holders of Class A Shares or Preferred Shares should consult their own tax advisors for advice with respect to the tax consequences to them of the Reorganization.

The Fund currently meets and expects to continue to meet certain minimum requirements in respect of the public distribution of its shares, including after the implementation of the Special Resolution, if approved. The changes set forth in the Special Resolution, as described in Appendix II of the Circular, will not affect the status of the Fund as a “mutual fund corporation” and a “financial intermediary corporation” under the Tax Act.

The changes to the provisions of the Class A Shares and the Preferred Shares set forth in the Special Resolution, as described in Appendix II of the Circular, will not constitute a disposition of the Class A Shares or Preferred Shares if the Special Resolution is approved and implemented.

RIGHTS OF DISSENT

The holders of Class A Shares and Preferred Shares have the right to dissent from the Special Resolution pursuant to section 185 of the *Business Corporations Act* (Ontario). A summary of these rights of dissent is set forth in “Appendix III – Right to Dissent”.

GENERAL PROXY INFORMATION

Management Information Circular

This Circular is furnished in connection with the solicitation of proxies by management of the Fund to be used at a meeting of shareholders (the “Meeting”) for the purposes set out in the Notice of Special Meeting of Shareholders (the “Notice”) accompanying this Circular or at any adjournment thereof. The Meeting will be held on May 31, 2011 at 8:30 a.m. (Toronto time) at 1 First Canadian Place, Suite 6300, 100 King Street West, Toronto, Ontario. Solicitation of proxies will be by mail, and may be supplemented by telephone or other personal contact by representatives or agents of the Fund.

Proxy Information, Record Date, Voting Rights and Quorum

To be used at the Meeting, a proxy must be deposited with Computershare Investor Services Inc. (“Computershare”) by delivery to its principal offices in Toronto at 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1, Attention: Proxy Department at any time up to 5:00 p.m. (Toronto time) on May 27, 2011 or with the Chair of the Meeting prior to the commencement of the Meeting on the day of the Meeting or the day of any adjournment of the Meeting.

Only shareholders of record at the close of business on April 26, 2011 will be entitled to receive notice of the Meeting and to vote in respect of the matters to be voted at the Meeting or any adjournment thereof, including the Special Resolution.

With respect to each matter properly before the Meeting, a shareholder shall be entitled to one vote for each Class A Share or Preferred Share registered in the name of such shareholder. In order to become effective, the Special Resolution must be approved by 66 $\frac{2}{3}$ % of holders of Class A Shares and 66 $\frac{2}{3}$ % of holders of Preferred Shares, each voting separately as a class.

Pursuant to the Articles of the Fund, a quorum at the Meeting will consist of shareholders present in person or represented by proxy holding not less than 10% of the outstanding Class A Shares and 10% of the outstanding Preferred Shares of the Fund. If the quorum requirement is not satisfied within one-half hour of the scheduled time for the Meeting, then the Meeting will be adjourned by the Chair of the Meeting. If adjourned, the Meeting will be rescheduled to 9:00 a.m. (Toronto time) on June 1, 2011. At the adjourned Meeting, the business of the Meeting will be transacted by those holders of Class A Shares and Preferred Shares present in person or represented by proxy.

Appointment of Proxy Holders

Shareholders who are unable to be present at the Meeting may still vote through the use of proxies. If you are a shareholder, you should complete, execute and return the enclosed proxy form. By completing and returning the enclosed proxy form, you can participate in the Meeting through the person or persons named on the form. Please indicate the way you wish to vote and your vote will be cast accordingly. **If you do not indicate a preference, the shares represented by the enclosed proxy form, if the same is executed in favour of the management appointees named in the proxy form and deposited as provided in the Notice, will be voted in favour of all matters identified in the Notice.**

Discretionary Authority of Proxies

The proxy form confers discretionary authority upon the management appointees named therein with respect to such matters, including, without limitation, amendment or variation to the Special Resolution, as, though not specifically set forth in the Notice, may properly come before the Meeting. Management does not know of any such matter which may be presented for consideration at the Meeting. However, if such a matter is presented, the proxy will be voted on the matter in accordance with the best judgment of the management appointees named in the proxy form.

On any ballot that may be called for at the Meeting, all shares in respect of which the management appointees named in the accompanying proxy form have been appointed to act will be voted in accordance with the specification of the shareholder signing the proxy form. If no such specification is made, the shares will be voted in favour of all matters identified in the Notice.

Alternate Proxy

A shareholder has the right to appoint a person to represent them at the Meeting other than the management appointees designated on the accompanying proxy form by crossing out the printed names and inserting the name of the person he or she wishes to act as proxy in the blank space provided or by completing another proxy form. Proxy forms that appoint persons other than the management appointees whose names are printed on the form should be submitted to the Fund and the person so appointed should be notified. A person acting as proxy need not be a shareholder.

On any ballot that may be called for at the Meeting, all shares in respect of which the management appointees named in the accompanying proxy form have been appointed to act will be voted in accordance with the specification of the shareholder signing the proxy form. If the shareholder specifies a choice with respect to any matter to be acted upon, the shares will be voted accordingly. If no such specification is made, the shares may be voted in accordance with the best judgement of the person named in the proxy form. Furthermore, the person named in the proxy form will have discretionary authority with respect to any amendments to the matters set forth in the Notice and with respect to any other matters that may properly come before the Meeting, and will vote on such amendments and other matters in accordance with the best judgment of the person named in the proxy form.

Revocation of Proxies

If the accompanying form of proxy is executed and returned, the proxy may nevertheless be revoked by an instrument in writing executed by the shareholder or his or her attorney authorized in writing, as well as in any other manner permitted by law. Any such instrument revoking a proxy must either be deposited (a) at the principal offices of Computershare at 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1, Attention: Proxy Department no later than 5:00 p.m. (Toronto time) on the day before the day of the Meeting or (b) with the Chair of the Meeting on the day of the Meeting or any adjournment thereof. If the instrument of revocation is deposited with the Chair on the day of the Meeting or any adjournment thereof, the instrument will not be effective with respect to any matter on which a vote has already been cast pursuant to that proxy.

Solicitation of Proxies

In addition to solicitation by mail, officers and directors of the Fund or MCM may, without additional compensation, solicit proxies personally or by telephone.

Advice to Beneficial Holders of Class A Shares and Preferred Shares

The information set forth in this section is of significant importance to beneficial holders of Class A Shares and Preferred Shares (“Beneficial Holders”). All of the Class A Shares and the Preferred Shares are held in book-entry form in the name of CDS & Co., the nominee of CDS, and not in the name of Beneficial Holders. Beneficial Holders should note that only proxies deposited by shareholders whose names appear on the records of the Fund as the registered holders of shares can be recognized and acted upon at the Meeting. Shares held by brokers, dealers or their nominees through CDS & Co. can only be voted upon the instructions of the Beneficial Holder. Without specific instructions, CDS & Co. and brokers, dealers and their nominees are prohibited from voting shares for their clients. The Fund does not know for whose benefit the Class A Shares and Preferred Shares registered in the name of CDS & Co. are held. Therefore, Beneficial Holders cannot be recognized at the Meeting for purposes of voting their shares in person or by way of proxy unless they comply with the procedures described below.

Applicable regulatory policy requires brokers, dealers and other intermediaries to seek voting instructions from Beneficial Holders in advance of the Meeting. Every intermediary has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Holders in order to ensure that their Class A Shares or Preferred Shares are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Holder by its intermediary is identical to that provided to registered shareholders. However, its purpose is limited to instructing the registered shareholders how to vote on behalf of the Beneficial Holders. The majority of intermediaries now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“Broadridge”). Broadridge typically prepares a voting instruction form that it mails to the Beneficial Holders and asks Beneficial Holders to complete and return directly to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Holder receiving a voting instruction form cannot use that form to vote shares directly at the Meeting. Rather, the voting instruction form must be returned to Broadridge well in advance of the Meeting to have the shares voted.**

If you are a Beneficial Holder and wish to vote in person at the Meeting, please contact your broker, dealer or other intermediary well in advance of the Meeting to determine how you can do so. Voting instruction forms sent by Broadridge may be completed by telephone or through the internet at www.proxyvote.com.

If you are a holder of Class A Shares or Preferred Shares and wish to continue your investment in the Fund, you should submit a voting instruction form in favour of the Special Resolution well in advance of the 5:00 p.m. (Toronto time) deadline on May 27, 2011 for the deposit of proxies.

Any such Preferred Shares shall be redeemed by the Corporation on the Special Retraction Date on the payment by the Corporation of the Preferred Share Redemption Price as of Special Retraction Date, calculated in accordance with Section 15(b) below, in respect of each Preferred Share to be redeemed. If less than all of the outstanding Preferred Shares are to be redeemed pursuant to this Section 15, the Preferred Shares to be so redeemed shall be redeemed pro rata or in such other manner as the Board of Directors of the Corporation in its sole discretion shall by resolution determine.
- (b) In connection with a redemption of Preferred Shares in accordance with this Section 15, the Corporation shall, on or before the seventh Business Day prior to the Special Retraction Date, provide notice to each person who is a registered holder of Preferred Shares to be redeemed of the intention of the Corporation to redeem such Preferred Shares. Commencing with each seven-year period starting June 30, 2018, the Board of Directors of the Corporation shall determine the dividend rate in respect of the Preferred Shares for such period, provided that any such new rate is announced by way of the press release described in Section 14(b). APPENDIX III RIGHTS OF DISSENT

Capitalized terms used but not defined in this Appendix shall have the meanings attributed to them in the Management Information Circular of World Financial Split Corp. dated April 21, 2011 (the “Circular”).

Pursuant to the provisions of Section 185 of the *Business Corporations Act* (Ontario) (the “OBCA”), a holder of Class A Shares or Preferred Shares is entitled to dissent and be paid the fair value of such shares if the shareholder objects to the Special Resolution and the Special Resolution becomes effective. A shareholder may dissent only with respect to all of the shares of a class held by the shareholder on behalf of any one beneficial owner and registered in the shareholder’s name. However, a shareholder is not entitled to dissent from the Special Resolution with respect to any Class A Shares or Preferred Shares beneficially owned by one owner if the shareholder votes any such shares beneficially owned by that owner in favour of the Special Resolution.

In order to dissent, a shareholder must send a written objection (an “Objection Notice”) to the Special Resolution to the Fund, c/o the Secretary, 121 King Street West, Standard Life Centre, Suite 2600, Toronto, Ontario, M5H 3T9 on or before the date of the Special Meeting. A vote against the Special Resolution or an abstention in respect thereof does not constitute such an Objection Notice, but a shareholder need not vote his or her shares against the Special Resolution in order to dissent in respect of the Special Resolution. Similarly, the revocation of a proxy conferring authority on the proxy holder to vote in favour of the Special Resolution does not constitute an Objection Notice in respect of the Special Resolution, but any such proxy granted by a shareholder who intends to dissent should be validly revoked (see “General Proxy Information – Revocation of Proxies” in the Circular) in order to prevent the proxy holder from voting such shares in favour of the Special Resolution and thereby disentitling the shareholder from the right to dissent. If the Special Resolution is approved, within 10 days following the date of the Meeting, the Fund will deliver to each shareholder who has filed an Objection Notice in respect of the Special Resolution, at the address specified for such purpose in such shareholder’s Objection Notice, a notice stating that the Special Resolution has been adopted (the “Fund Notice”). A Fund Notice is not required to be sent to any shareholder who voted for the Special Resolution or who has withdrawn an Objection Notice.

Within 20 days after receipt by a shareholder of the Fund Notice or, if no Fund Notice is received by the dissenting shareholder, within 20 days after such shareholder learns that the Special Resolution has been adopted, the dissenting shareholder is required to send a written notice to the Fund, at the address set forth in the preceding paragraph, setting forth the shareholder’s name and address, the number of shares held in respect of which such shareholder dissents and a demand for payment of the fair value of such shares (the “Demand for Payment”). Within 30 days thereafter, the shareholder must send the share certificates representing such shares to the Fund. Such share certificates will be endorsed by the Fund with a notice that the holder is a dissenting shareholder and will be returned to the dissenting shareholder. A shareholder who fails to forward share certificates within the time required loses any right to make a claim for payment of the fair value of such shareholder’s shares.

On sending a Demand for Payment to the Fund, a dissenting shareholder ceases to have any rights as a shareholder except the right to be paid the fair value of his or her shares unless the dissenting shareholder withdraws the Demand for Payment before the Fund sends an Offer to Purchase as described below or the Special Resolution does not become effective, in which case such shareholder’s rights are reinstated as of the date such Demand for Payment was sent. If a shareholder fails to comply with each of the steps required to dissent effectively, the rights, privileges, restrictions and conditions attaching to such shareholder’s shares will be amended in accordance with the Special Resolution.

Not later than seven days after the later of the day on which the action approved under the Special Resolution becomes effective and the date the Fund receives the Demand for Payment, the Fund will send to each dissenting shareholder a written offer (the "Offer to Pay") to pay for the shares that are the subject of the Objection Notice in an amount considered by the Board of Directors of the Fund to be the fair value of such shares as of the close of business on the day before the day on which the action approved by the Special Resolution becomes effective, accompanied by a statement showing how the fair value was determined. Every Offer to Pay for a class of shares shall be on the same terms.

A dissenting shareholder who accepts the Offer to Pay will be paid by the Fund within 10 days of acceptance by the dissenting shareholder of such offer, provided share certificates representing the shares held by such dissenting shareholder have been delivered to the Fund. The Offer to Pay lapses if the Fund does not receive an acceptance of the Offer to Pay within 30 days after the date on which the Offer to Pay was made.

If the Fund fails to make the Offer to Pay or a dissenting shareholder fails to accept the Offer to Pay within the time limit prescribed therefor, the Fund may apply under the OBCA to a court to fix a fair value for the shares within 50 days after the day on which the action approved by the Special Resolution becomes effective or within such further period as the court may allow.

Upon any application to a court by the Fund, the Fund shall notify each affected dissenting shareholder of the date, place and consequences of the application and of such dissenting shareholder's right to appear and be heard in person or by counsel. If the Fund fails to make such application, the dissenting shareholder has the right to so apply within a further period of 20 days or within such further period as a court may allow. All dissenting shareholders whose shares have not been purchased by the Fund will be joined as parties to the application and will be bound by the decision of the court. The court may determine whether any person is a dissenting shareholder who should be joined as a party and the court will fix a fair value for the shares of all dissenting shareholders.

Provided that the Special Resolution becomes effective, a shareholder who complies with each of the steps required to dissent effectively is entitled to be paid the fair value of the shares in respect of which such shareholder has dissented. Such fair value as determined by the court may be more than, less than or equal to the consideration to be received under the Offer to Pay.

The foregoing is a summary only of the rights of dissenting shareholders. Any shareholder desiring to exercise a right to dissent should seek legal advice since failure to comply strictly with the provisions of section 185 of the OBCA may prejudice that right. The right of a shareholder to dissent is not exclusive of any other rights available to shareholders generally, such as rights in respect of corporate directors' duties of good faith and care under the OBCA or otherwise.
